

Coffee Afternoon Invitation

for parents and carers of children with
additional needs

Wednesday 20th March 2024
2pm at Merridale

We will be joined by 3 members of the SEND in mainstream school nursing team as well as our Parent Ambassadors and our school SENDCO, Mrs Tara.

This first coffee afternoon will be an opportunity to share any health challenges that you might have with your child including, dental care, sleep, restricted eating, over-eating, toileting, constipation or sensory difficulties. From this discussion, we will then plan some further coffee afternoons to focus on any topics that are of interest to parents and carers.

Come along and join us!
