

Autumn Term

Reading at Home

2

Build a love for reading.

Here are some suggested activities to help your child build a love of reading.

- Have a bedtime story every day. Snuggle up and relax together to look at the pictures and talk about the story.
- Visit a library - become a member and borrow books to share together.
- Engage with online stories by scanning the QR codes below:

1

Try and read 5 times a week

Reading underpins learning in all areas of the curriculum. Research shows that reading for pleasure is the biggest single indicator of a child's future success so it is important to start building good reading habits. Reading at home may be listening to your child read, reading to your child, finding out information together about a topic your child is interested in or even listening to an audiobook.

Record all of their reading in their reading diary. Find out more about the benefits of reading for pleasure by scanning the QR code:
