

Merridale EYFS Themes

The themes that we cover in Nursery and Reception in order to enrich the learning of our children are explored to develop several areas of learning. These themes are broad and adaptable so that we can follow different lines of enquiry if the children have a particular interest. In addition, we may introduce other mini topics that link in with children’s interests and experiences. The following are the main topics for each half term.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Nursery	It’s good to be me	Let’s celebrate	Once upon a time	People who help us	The great outdoors	Journeys
Reception	Merridale and me	Special times	Little explorers	Our heroes	All creatures great and small	How does your garden grow?
