**PAY POLICY OF MERRIDALE PRIMARY SCHOOL FOR 1 SEPTEMBER 2023 – 31 AUGUST 2024  
ADOPTED BY THE GOVERNING BOARD ON THURSDAY 23<sup>RD</sup> NOVEMBER 2023**

**1.0 INTRODUCTION**

- 1.1 The School Teachers' Pay and Conditions Document (STPCD, blue book) places a statutory duty on schools to adopt a pay policy which sets out the basis on which they determine teachers' pay, the date by which they will determine the teachers' annual pay review; and the procedures for determining appeals.
- 1.2 Schools must comply within the legal framework set out in the STPCD and in other relevant legislation that affects all employers eg equality legislation, employment protection and data protection.
- 1.3 This policy sets out the framework on which the Governing Board will make its decisions and the way in which it will exercise its discretionary powers. It has been developed to comply with current legislation and the requirements of the STPCD and has been consulted on with staff and/or the recognised trade unions/professional associations. Any further amendments to this policy will be consulted upon with appropriate recognised trade unions and professional associations.
- 1.4 The term Governing Board and thereafter to include Management Board.
- 1.5 The Governing Board delegates the implementation of this policy to the Pay/Resources committee.

The terms of reference of which are attached at Appendix A

**2.0 PRINCIPLES**

The Governing Board's pay policy is based on the guiding principles below:

- Recognition that national and local agreements on pay and related conditions of service must be followed and that advice from the Headteacher and the Authority will be considered
- Recognition that the application of the powers regarding pay (and related on-costs) has financial implications which need to be considered carefully given the effect of any changes in the school's budget in future years
- Salary determination should clearly be fair, justifiable and considered within a whole school context consistent with the short and long term requirements of the School's Development Plan
- The process of determining remuneration should be open, transparent, and fair.
- A need to maintain harmonious industrial relations within the school.

### 3.0 STATEMENT OF INTENT

3.1 The prime statutory duty of Governing Boards in England, as set out in paragraph 21(2) of the Education Act 2002 is to "... conduct the school with a view to promoting high standards of educational achievement at the school." The pay policy is intended to support that statutory duty and aims to:

- *Maximise the quality of teaching and learning at the school*
- *Support the recruitment and retention of a high-quality teacher workforce*
- *Enable the school to recognise and reward teachers appropriately for their contribution to the school*
- *Ensure that decisions on pay are managed in a fair, just and transparent way*

3.2 The Governing Board of Merridale Primary school in exercising its function will adhere to The School Governance Procedures (England) Regulation 2003 and will act with integrity, confidentiality, objectivity and honesty in the best interests of the school; will be open about decisions made and actions taken, and will be prepared to explain decisions and actions to interested persons. Its procedures for determining pay will be consistent within the principles of public life: objectivity, openness, and accountability.

### 3.3 Equalities Legislation

The Governing Board is committed to equality for all staff and will ensure procedures for determining pay comply with the following legislation:

Employment Relations Act 1999

Equality Act 2010

Employment Rights Act 1996

The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000

The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002

The Agency Workers Regulations 2010

The Governing Board will promote equality in all aspects of school life, particularly as regards all decisions on advertising of posts, appointing, promoting and paying staff, training and staff development.

When considering performance related pay, particular care needs to be taken in relation to maternity leave and sick leave. The Governing Board will take a practical and flexible approach to conducting appraisals and making pay decisions for those absent on maternity leave, including when a teacher has been absent for all or part of the reporting year. In doing so it acknowledges that a teacher that has been on maternity leave cannot be denied an appraisal and any pay increases that she would have received had she not been on maternity leave. In respect of long-term sick cases the Governing Board will make adjustments wherever possible to accommodate such leave.

For example, as soon a teacher returns from maternity or sick leave, it should be a matter of priority to ensure that objectives are set or adjusted. In addition, this school

will be flexible about the evidence period. If a teacher has been in school 26 weeks in aggregate of a complete academic year, there should be time to ensure that there is a robust evidence base.

Refer to paragraph 21 of this School Pay Policy in relation to monitoring the impact of this policy.

### **3.4 Job Descriptions**

The Headteacher will ensure that each member of staff is provided with a job description in accordance with the staffing structure agreed by the Governing Board. Job descriptions may be reviewed from time to time, in consultation with the individual employee concerned, in order to make reasonable changes in the light of the changing needs of the school. Job descriptions will identify key areas of responsibility. All job descriptions will be reviewed annually as part of the appraisal process.

### **3.5 School Staffing Structure**

The School Staffing Structure will be published as an appendix to this policy. Any subsequent changes to the staffing structure will be subject to consultation. The current staffing structure is set out in Appendix G.

### **3.6 Budget**

The Governing Board will undertake the commitment to ensure that it is in possession of all the necessary budgetary information in a timely manner, in order to support the pay progression. If at any stage, it appears that in adopting this principle in the light of the overall budgetary position might potentially lead to an enforced reduction in staffing levels, there will be full consultation as part of that process of deciding the most appropriate course of action.

### **3.7 Annual Pay Award**

In accordance with the recommendations in the STPDC 2023, the Trust Board will apply a 6.5% increase to all pay, allowance ranges and advisory points, with higher increases to some part of the Main Pay Range. All pay uplifts will be back dated to 1 September 2023.

## **4.0 PROCESS FOR DEALING WITH DETERMINATION OF PAY**

### **4.1 Pay Reviews**

4.1.1 The Governing Board will review every teacher's salary annually with effect from 1 September and issue a written statement no later than 31 October each year or 31 December for the Headteacher's pay following the appropriate appraisal review meeting. The written statement should set out their salary and any other financial benefits as specified in the STPCD (paragraph 3.4, 27, and 29 to 36). Reviews may take

place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay.

- 4.1.2 A written statement to each member of staff will be given after any review and where applicable will give information about the basis on which it was made. Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Board will give the required notification as soon as possible and no later than one month after the date of the determination. Decisions in respect of the Headteacher's pay will be communicated by the Pay Committee in writing in accordance with paragraph 3.4 of the STPCD 2023.

#### **4.1 Appraisal**

- 4.2.1 The Governing Board will comply with The Education (School Teachers' Appraisal) (England) Regulations 2012 concerning the appraisal of teachers. Assessment will be based on evidence from a range of sources (see the School's appraisal policy).

- 4.2.2 Although the school will establish a firm evidence base in relation to the performance of all teachers, there is a responsibility on individual teachers and appraisers to work together. Consideration will be given to the DfE guidance '*Making Data Work report*. The school will be responsible for the formulation and operation of the Appraisal System.

- 4.2.3 Decisions regarding pay progression will be made with reference to the teachers' appraisal reports and the pay recommendations they contain. Final decisions about whether or not to accept a pay recommendation will be made by the Governing Board, having regard to the appraisal report and taking into account advice from the Headteacher. The Governing Board will consider its approach in the light of the school's budget and ensure that appropriate funding is allocated for pay progression at all levels.

- 4.2.4 The Headteacher will moderate objectives to ensure consistency and fairness; the Headteacher will also moderate performance assessment and initial pay recommendations to ensure consistency and fairness.

#### **4.3 Obligations of the Governing Board, Headteacher and Teachers**

- 4.3.1 The obligations of the Governing Board, Headteacher and teachers in respect of this pay policy and the appraisal process are outlined in Appendix B.

### **5.0 PAY DETERMINATION FOR HEADTEACHER POSTS**

#### **5.1 General Considerations**

- 5.1.1 The Governing Board will ensure that the process of determining the remuneration for the Headteacher is fair and transparent. Details in respect of the determination of the Headteacher's Group, and Indicative Pay Range and any additional payments will be well documented at every stage of determination of pay. All pay decisions will be made

using objective criteria and there should be a clear audit trail for all decisions with reasons.

5.1.2 The Governing Board will adopt a **three-stage process** as outlined in a DfE guidance which is attached at Appendix C and paragraphs 5.2 and 5.3 of this policy should be read in conjunction with this guidance.

5.1.3 **The three-stage process** will apply when:

- a. setting the pay for a new headship appointment
- b. there are significant changes to responsibilities
- c. it becomes necessary to review the pay of all leadership posts in order to maintain consistency with pay arrangements for either new appointments to leadership or for a member of the leadership group whose responsibilities significantly changed

## 5.2 Pay on appointment

- **Headteacher Group**  
The pay committee will review the school's headteacher group and the Headteacher's pay range in accordance with paragraphs 4,5,6, 7, 8 and 9 of the STPCD (ordinary schools), or paragraphs 4,5, 7, 8 and 9 of STPCD (special schools)
- **Accountability for one or more schools**  
If the Headteacher takes on permanent accountability for one or more additional schools, the pay committee will set a pay range in accordance with the provisions of paragraph 6.6 or 7.9, respectively. For new appointments the pay committee will determine a pay range, taking account of the full role of the Headteacher, all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations (paragraph 9.3 of STPCD 2023), including recruitment issues. The pay committee will take into account the factors outlined in appendix C of this policy when determining an appropriate pay range. It will also take account of any other considerations it feels are relevant and minute carefully its decisions and reasons for those decisions
- **Discretionary Payments**  
The pay committee will consider using its discretion, in exceptional circumstances only, to exceed the 25 per cent limit beyond the maximum of the group range when setting the pay range for the Headteacher, as set out in paragraph 9.3 of the STPCD 2023. However, before doing so, it will make a fully documented business case and seek external independent advice
- **Reference Points**  
The pay committee will use reference points within the pay range as detailed in appendix D of this policy
- **Starting Salary**

At the appointment stage, candidate specific factors will be taken into account when determining the starting salary. If necessary, the Governing Board will adjust the pay range to ensure appropriate scope of 4 reference points, for performance related pay progression

The pay committee will have regard to the provisions of paragraph 9.4 of the STPCD in particular, and will also take account of any other permanent payments, made to staff within the school to ensure that appropriate differentials are created and maintained between posts of differing responsibility and accountability

- ***Determination of temporary payments***

The pay committee will consider the use of temporary payments for clearly time-limited responsibilities or duties only, in accordance with paragraph 10 of STPCD 2023. Any indefinite, not time limited responsibilities must be taken into account when determining the Headteacher's pay range

The total sum of the temporary payments made to a Headteacher will not exceed 25 per cent of the annual salary which is otherwise payable to the head; and the total sum of salary and other payments made to a head must not exceed 25 per cent above the maximum of the Headteacher group, except in wholly exceptional circumstances

The pay committee may determine that temporary and other payments be made to a head which exceeds the limit above in wholly exceptional circumstances and with the agreement of the Governing Board. The Governing Board will seek external independent advice before providing agreement

### **5.3 Serving Headteachers**

The pay committee will only re-determine the pay range of a serving Headteacher, in accordance with paragraph 9 of the STPCD 2023, if the responsibilities of the post change significantly, or if the pay committee determines that this is required to maintain consistency with pay arrangements either for new appointments to the leadership team or for a member(s) of the leadership group whose responsibilities significantly change.

- It will also re-determine the pay range if the group size of the school increases, or if the Headteacher takes on permanent accountability for an additional school(s) (Section 3 guidance, paragraph 9 of STPCD 2023)
- If the pay committee re-determines the Headteacher's pay range, it will take account of all indefinite responsibilities of the post, any specific challenges and all other relevant factors, including retention issues. The pay committee will take into account the factors set out in appendix C of this policy when determining an appropriate pay range. It will also take account of any other considerations it feels are relevant and minute carefully its decisions and reasons for those decisions

- The pay committee will consider using its discretion, in exceptional circumstances, to exceed the 25 per cent limit beyond the maximum of the group range, as set out in paragraph 9.3 of STPCD 2023. However, before agreeing to do so, it will make a fully documented business case and will seek external independent advice
- The pay committee will use reference points within the pay range and will leave at least 4 reference points for performance-related pay progression
- The pay committee will review the Headteacher's pay in accordance with paragraph 11 of the STPCD 2023 and (paragraph 27 of the Section 3 guidance) and award up to two reference points where there has been sustained high quality of performance having regard to the results of the most recent appraisal carried out in accordance with the appraisal regulations 2012 and any recommendation on pay progression in the Headteacher's most recent appraisal report
- If the pay committee decides to re-determine the pay range, it will only determine the Headteacher's pay range in accordance with paragraph 9 and paragraph 9 of the section 3 guidance of STPCD 2023
- The pay committee will consider the use of temporary payments for clearly temporary responsibilities or duties only, in accordance with paragraph 10 of STPCD
- The total sum of temporary payments made to a Headteacher must not exceed 25 per cent of the annual salary which is otherwise payable to the head; and the total sum of salary and other payments made to a Headteacher must not exceed 25 per cent above the maximum of the headteacher group, except in wholly exceptional circumstances
- The pay committee may determine that additional/temporary payments be made to a head which exceeds the limit above in wholly exceptional circumstances and with the agreement of the Governing Board. The Governing Board will seek external independent advice before providing agreement

## 6.0 DEPUTY/ASSISTANT HEADTEACHERS

6.1 The Governing Board will adopt a **three-stage process** as detailed in Appendix C and paragraphs 6.2 and 6.3 of this policy should be read in conjunction with this guidance.

### 6.2 Pay on appointment

- **Pay Range**  
The pay committee will determine a pay range, taking account of the full role of the Deputy/Assistant Headteacher, all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant

considerations (paragraph 9.4 of the STPCD), including recruitment issues. The pay committee will take into account the factors outlined in Appendix C when determining an appropriate pay range. It will also take account of any other considerations it feels are relevant and minute carefully its decisions and reasons for those decisions

- **Reference Points**

The pay committee will use reference points within the pay range

- **Starting Salary**

At the appointment stage, candidate specific factors will be taken into account when determining the starting salary. If necessary, the governing Board will adjust the pay range to ensure appropriate scope of 4 reference points, for performance related pay progression

- **Recruitment and Retention Payments**

The pay committee will exercise its discretion under paragraph 27 of the STPCD 2023 where there are recruitment issues, provided it has not already taken such issues into account when setting the pay range

The pay committee will consider whether the award of any additional payments are relevant, as set out in paragraph 27 of the STPCD document and in section 3 guidance paragraphs 65 to 68 of STPCD 2023

### 6.3 Serving Deputy/Assistant Headteachers

- The pay committee will review and, if necessary, re-determine the Deputy/Assistant Headteacher pay range where there has been a significant change in the responsibilities of the serving Deputy/Assistant Headteacher (paragraph 10 of section 3 guidance), or to maintain consistency with pay arrangements for either new appointments to the leadership group or to maintain pay arrangements for a member(s) of the leadership group whose responsibilities significantly change
- When determining the pay range of a serving Deputy/Assistant Headteacher, the pay committee will take account of all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations (paragraph 9 of STPCD 2023), including recruitment/retention issues. The pay committee will take into account the factors outlined in appendix C when determining an appropriate pay range. It will also take account of any other considerations it feels are relevant and minute carefully its decisions and reasons for those decisions
- The pay committee will ensure the maintenance of appropriate differentials between different posts in its staffing structure

- The pay committee will exercise its discretion under paragraph 27 of the STPCD where there are recruitment issues, provided it has not already taken such issues into account when setting the pay range
- The pay committee will consider whether the award of any additional payments are relevant, as set out in paragraph 26 of the STPCD and section 3 guidance, paragraphs 60 to 68 of the STPCD 2023
- The pay committee will use reference points within the pay range and will leave at least 4 reference points for performance-related pay progression
- The pay committee will review pay in accordance with paragraphs 11.1 and 11.2 of STPCD 2023 and award up to two reference points where there has been sustained high quality of performance having regard to the results of the recent appraisal, and to any recommendation on pay progression recorded in the Deputy/Assistant Headteacher's most recent appraisal report.

## **7.0 CLASSROOM TEACHERS**

### **7.1 Pay determination on appointment**

- 7.1.2 The Governing Board will determine the pay range for a vacancy prior to advertising it. On appointment it will determine the starting salary within that range to be offered to the successful candidate.

In making such determinations, the Governing Board may take into account a range of factors, including:

*(these options are for guidance only, are not intended to provide an exhaustive list, and may not apply to all appointments):*

- The nature and requirements of the post
- The specialist knowledge, skills and qualifications required for the post
- The experience required to undertake the specific duties of the post
- Market conditions
- The wider school context

- 7.1.3 The Governing Board will apply the principle of pay portability in making pay determinations for all new appointees as follows:

When determining the starting pay for a classroom teacher taking up their first appointment as a qualified classroom teacher, the Governing Board will pay the teacher on the Main Pay Range, and will allocate pay scale points as a minimum, in the following circumstances:

- One point on the main scale for each year of service as a qualified teacher in an Academy, City Technology College, a City College for the Technology of the Arts or independent school.

- One point on the main scale for each period of one year of service as a qualified teacher in higher education or further education including sixth form colleges, or in countries outside England and Wales in a school in the maintained sector of the country concerned
- One point for each three years of non-teaching experience spent working in a relevant area, including industrial or commercial training, time spent in an occupation relevant to the teacher's work at the school, and experience with children/young people
- One point on the scale for each period of three years spent outside teaching but working in a relevant area. This might include industrial or commercial training, time spent working in an occupation relevant to the teacher's work at the school, and experience with children/young people.

## **7.2 The main pay range for teachers effective 1 September 2023**

The Pay Committee will use reference points. Therefore, the pay scale for teachers on the Main Pay Range in this school is:

MPR 1	£30,000
MPR 2	£31,737
MPR 3	£33,814
MPR 4	£36,051
MPR 5	£38,330
MPR 6	£41,333

## **7.3 Pay progression on main pay range**

7.3.1 To move up the main pay range, one annual point at a time, teachers will

- Normally have achieved their objectives. Where, in the light of the appraisal review, the appraiser concludes that the objectives have proved particularly challenging, pay progression may be on the basis of good progress towards these objectives.
- Have met the relevant Teachers Standards.

Recommendations for increases in pay will be differentiated such that the amount of any increase is clearly attributable to the performance of the teacher. A classroom teacher should have a reasonable expectation of progressing to the top of the appropriate pay range where they have demonstrated continued good performance as defined by relevant teachers' standards and the achievement of appraisal objectives over a number of years.

In the case of exceptional performance, the Governing Board will consider the award of up to two points where applicable.

7.3.2 As a teacher moves up the main pay range evidence from the appraisal review should show:

- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher, eg behaviour management or lesson planning

The Pay Committee will be advised by the Headteacher in making all such decisions. Any increase (ie no movement, one point, more than one point) will be clearly attributable to the performance of the teacher in question. The Pay Committee will be able to justify its decisions.

7.3.3 In the case of Early Career Teachers (ECTs), the relevant body must determine the teacher's performance and any pay recommendation by means of the statutory induction process set out in the Education (Induction Arrangements for School Teachers) (England) Regulations 2012.

The relevant body must also ensure that ECTs are not negatively affected by the extension of the induction period from one to two years. This change does not prevent a school from awarding pay progression to ECTs at the end of the first year.

## **8.0 PROGRESSION TO THE UPPER PAY RANGE**

### **8.1 Applications to be paid on Upper Pay Range (UPR)**

8.1.1 Any qualified teacher can apply to be paid on the Upper Pay Range at least once a year in accordance with this School's Pay Policy. It is the teacher's decision whether or not to submit a UPR application.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the UPR in that school(s). This school will not be bound by any pay decision made by another school.

All applications should include the results of appraisals under the Appraisal Regulations 2012, including any recommendation on pay. Where such information is not applicable or available, a written statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

In order for the assessment to be robust and transparent, it will be an evidence-based process only. Teachers therefore should ensure that they build a mainly paper evidence base to support their application. Those teachers who are not subject to the Appraisal Regulations 2012, or who have been absent, through sickness, disability or maternity, may cite written evidence from a 3-year period before the date of application, from this school and other schools, in support of their application.

### 8.1.2 Process and procedures

One application may be submitted annually. The closing date for applications is normally *1<sup>st</sup> September* each year; however, exceptions will be made in particular circumstances, eg those teachers who are on maternity leave or who are currently on sick leave. The process for applications is:

- Complete the school's application form
- Submit the application form and supporting appraisal reports/evidence to the Headteacher by the cut-off date of *1<sup>st</sup> September*
- The teacher will receive notification of the name of their assessor of their application within 5 working days
- The assessor will assess the application, which will include a recommendation to the Pay Committee of the relevant Board
- The application, evidence and recommendation will be passed to the Headteacher for moderation purposes, if the Headteacher is not the assessor
- The Pay Committee will make the final decision, advised by the Headteacher
- Teachers will receive written notification of the outcome of their application by *30<sup>th</sup> November*. Where the application is unsuccessful, the written notification will include the areas where it was felt that the teacher's performance did not satisfy the relevant criteria set out in this policy (see 'Assessment' below)
- If requested, oral feedback will be provided by the assessor. Oral feedback will be given within 10 school working days of the date of notification of the outcome of the application. Feedback will be given in a positive and encouraging environment and will include advice and support on areas for improvement in order to meet the relevant criteria.
- Successful applicants will move to the minimum of the UPR on 1 September of that academic year
- Unsuccessful applicants can appeal the decision. The appeals process is set out in Appendix F of this School's Pay Policy

### 8.1.3 Assessment

The teacher will be required to meet the criteria set out in paragraph 15 of the STPCD, namely that:

- the teacher is highly competent in all elements of the relevant standards; and
- the teacher's achievements and contribution to the school are substantial and sustained.

In this school, this means:

**“highly competent”:**

the teacher's performance is assessed as having extensive depth and breadth of knowledge, skill and understanding of the Teachers' Standards in the particular role they are fulfilling and the context in which they are working.

*(DfE cites the following as examples, performance which is not only good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice).*

**“substantial”:**

the teacher’s achievements and contribution to the school are significant, not just in raising standards of teaching and learning in their own classroom, or with their own groups of children, but also in making a significant wider contribution to school improvement, which impacts on pupil progress and the effectiveness of staff and colleagues.

*(DfE cites the following examples, of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils’ learning).*

**“sustained”:**

the teacher must have had two consecutive successful appraisal reports in this school and have made good progress towards their objectives during this period (see exceptions as outlined in paragraph 8.1.1 of this policy). They have demonstrated teaching skills which lead to learners achieving well relative to the learners prior attainment, making progress as good as, or better than, similar learners nationally.

Further information, including information on sources of evidence is contained within the school’s appraisal policy.

**8.2 PAY DETERMINATION FOR EXISTING UPPER PAY RANGE TEACHERS FROM 1 SEPTEMBER 2023**

8.2.1 The Pay Committee will use reference points. Therefore, the pay scale for teachers on the upper pay range in the school is:

UPR 1	£43,266
UPR 2	£44,870
UPR 3	£46,525

8.2.2 The Pay Committee will determine whether there should be any movement on the Upper Pay Range. In making such a determination, it will take into account:

- paragraph 19 of the STPCD 2023
- the evidence base, which should show that the teacher has had a successful appraisal and has met or made significant progress towards objectives
- evidence that the teacher has maintained the criteria set out in paragraph 15.2 of the STPCD 2023. The meaning of these criteria is set out in paragraph 8.1.3 of this policy

8.2.3 Pay progression on the upper pay range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be advised by the Headteacher in making all such decisions and have evidenced two successful and consecutive appraisal reviews. The Pay Committee will be able to objectively justify its decisions.

8.2.4 Where it is clear that the evidence shows the teacher has made good progress, ie they continue to maintain the criteria set out in this policy at paragraph 8.1.3 – ‘Assessment’, and have met or made significant progress towards their objectives, the teacher will move to the mid point on the Upper Pay Range; or if already on the mid-point, will move to the maximum point of the Upper Pay Range.

## **9.0 LEADING PRACTITIONER POSTS**

### **9.1 Establishment of Posts**

The Governing Board has the discretion to create posts for qualified teachers whose primary purpose is the modelling and leading improvement of teaching skills.

It is not the intention of the Governing Board to create a Leading Practitioner post during academic year 2023/2024, but the Governing Board will review its position from time to time.

### **9.2 The role of Leading Practitioner posts**

The Governing Board will take account of paragraph 34 in Section 3 of the STPCD 2023 when determining the role of leading practitioner in this school. Additional duties will be set out in the job description of the leading practitioner and will include:

- a leadership role in developing, implementing and evaluating policies and practices in the school that contribute to school improvement
- the improvement of teaching skills within school [and within the wider school community] which impact significantly on pupil progress
- improving the effectiveness of staff and colleagues, particularly in relation to specific areas such as teaching and learning.

### **9.3 Pay on Appointment**

The Pay Committee will use reference points. Therefore, the pay scale for teachers on the Leading Practitioner Pay Range in the school is:

LPR 1	£[insert salary] *£47,417
LPR 2	£[insert salary]
LPR 3	£[insert salary]
LPR 4	£[insert salary]
LPR 5	£[insert salary] *£72,085

*\*minimum and maximum salary value as in STPCD 2023*

The Governing Board will identify a five-point range. The range may start and end at any point between the minimum or maximum values. This does not mean a range has to start at £47,417 and end at £72,085.

#### **9.4 Pay determinations with effect from 1 September 2023**

The Headteacher will agree appraisal objectives for the Leading Practitioner.

The Pay Committee shall have regard to the results of the Leading Practitioner's appraisal, including the pay recommendation, when exercising any discretion in relation to their pay, in accordance with paragraph 16 of the STPCD 2023.

9.5 The Pay Committee will take account of other evidence. The evidence should show the leading practitioner:

- has met or made significant progress towards their objectives;
- is an exemplar of teaching skills, which should impact significantly on pupil progress, within school and within the wider school community, if relevant;
- has made a substantial\* impact on the effectiveness of staff and colleagues, including any specific elements of practice that have been highlighted as in need of improvement;
- is highly competent\* in all aspects of the Teachers' Standards;
- has shown strong leadership in developing, implementing and evaluating policies and practice in their workplace that contribute to school improvement.

*\* "Highly competent", "substantial" are defined in this policy at paragraph 8.1.3. "The Assessment"*

9.6 The Pay Committee will be advised by the Headteacher in making all such decisions and will determine pay progression such that the amount is clearly attributable to the performance of the leading practitioner. The Pay Committee will be able to objectively justify its decision.

9.6 *Where it is clear from the evidence that the teacher's performance is exceptional, the Pay Committee will award enhanced pay progression.*  
Information on sources of evidence is contained within the school's appraisal policy.

#### **10.0 UNQUALIFIED TEACHERS**

##### **10.1 Pay on appointment**

The Pay Committee will pay any unqualified teacher in accordance with the provisions of the STPCD 2023. The Pay Committee will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience s/he may have, which they consider to be of value. The Pay Committee

will consider whether it wishes to pay an additional allowance outlined in paragraph 22 of the STPCD 2023.

## 10.2 **Pay determinations effective from 1 September 2023**

The Pay Committee will use reference points. Therefore, the pay scale for teachers on the Unqualified Teachers pay range in the school is:

UTR 1	£20,598
UTR 2	£22,961
UTR 3	£25,323
UTR 4	£27,406
UTR 5	£29,772
UTR 6	£32,134

## 10.3 **Pay Progression on the Unqualified Teachers Range**

10.3.1 In order to progress up the unqualified teacher range, unqualified teachers will need to show that they have met or made significant progress towards their objectives.

10.3.2 *If the evidence shows that a teacher has exceptional performance, the Governing Board will award enhanced pay progression*

10.3.3 Judgements will be properly rooted in evidence. As unqualified teachers move up the scale, this evidence should show:

- an improvement in teaching skills
- an increasing positive impact on pupil progress
- an increasing impact on wider outcomes for pupils
- improvements in specific elements of practice identified to the teacher
- an increasing contribution to the work of the school
- an increasing impact on the effectiveness of staff and colleagues

Information on sources of evidence is contained within the school's appraisal policy.

10.3.4 The Pay Committee will be advised by the Headteacher in making all such decisions. Pay progression on the unqualified teacher range will be clearly attributable to the performance of the individual teacher. The Pay Committee will be able to objectively justify its decisions.

## 11.0 **DISCRETIONARY ALLOWANCES**

### 11.1 **Teaching and Learning Responsibility Payments (TLRs) – TLR1 and TLR2**

11.1.1 TLRs are awarded to holders of the posts indicated in the School Staffing Structure as attached at appendix G.

11.1.2 The Pay Committee may award a TLR to a classroom teacher for undertaking a sustained additional responsibility in the context of the school's staffing structure for the purpose of ensuring the continued delivery of high-quality teaching and learning and for which the teacher is accountable.

#### 11.1.3 Pay Determination of TLR1 or TLR2 payment

The Pay Committee has determined the value of TLRs in this school as follows:

- a. The annual value of a TLR1 is £9,272
- b. The annual value of a TLR2 is £3,214
- c. If the Pay Committee awards TLRs of different annual values to two or more teachers the minimum difference in the annual value between each award of a TLR1 is £1500, and between each award of a TLR2 is £1500

#### 11.1.4 Criteria for awarding TLR1 or TLR2 payment

Before awarding any TLR1 or TLR2 payment, the Pay Committee must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers in addition to line management responsibility as outlined in paragraphs 20.4 and 20.5 respectively of the STPCD 2023.

All job descriptions will be regularly reviewed and will make clear, if applicable, the responsibility or package of responsibilities for which a TLR1 or TLR2 is awarded taking into account the criterion and factors set out in this paragraph.

#### 11.1.5 TLR3 Payments

After appropriate consultation the Pay Committee may award a fixed term TLR3 payment to a classroom teacher for clearly time-limited school improvement projects, or one-off externally driven responsibilities as set out in paragraph 20.3 of STPCD 2023. The annual value of a TLR3 must be no less than £639 and no greater than £3,169. TLR 3 payments will not be used to replace or limit teachers' pay progression on the Main, Upper or Leading Practitioner Pay Ranges.

A teacher who is in receipt of either a TLR1 or TLR2 payment may also hold a TLR3 concurrently.

The Pay Committee must be satisfied that the responsibilities meet the criteria in paragraph 20.4 of the STPCD.

The Governing Board will set out in writing to the teacher the duration of the fixed term, and the amount of the award will be paid in monthly instalments. If a TLR3 payment is awarded to a part time teacher the pro-rata principle will **not** apply.

TLR3s should not be awarded consecutively for the same responsibility. TLR3s are **not** subject to safeguarding.

## **11.2 Special Needs Allowance**

11.2.1 The Pay Committee will award a SEN spot value allowance on a range of between £2,539 and £5,009 to any classroom teacher in accordance with the criteria outlined in paragraph 21.2 of the STPCD.

11.2.2 When deciding on the amount of the allowance to be paid, the Governing Board will take into account the criteria outlined in paragraph 21.3 of the STPCD 2023. The Governing Board will also establish differential values in relation to SEN roles in the school in order to reflect significant differences in the nature and challenge of the work entailed so that the different payment levels can be objectively justified. The Governing Board will also take account of paragraphs 55 to 59 of section 3 guidance within the STPCD 2023 in respect of establishing different values relating to SEN roles so that different payment levels can be objectively justified.

## **11.3 Allowance Payable to Unqualified Teachers**

11.3.1 The Pay Committee may determine such additional allowance in accordance with paragraph 22 of the STPCD.

## **11.4 Safeguarding Allowances**

If, as a result of a change in pay policy or to the school's staffing structure the relevant Board determines eg a teacher's duties will no longer attract a TLR1 or TLR2, SEN payments, unqualified teachers' allowance, safeguarding principles will apply as outlined in paragraphs 30-37 of the STPCD 2023.

## **11.5 Acting Allowances**

Where a teacher is assigned and carries out the duties of Headteacher, Deputy Headteacher or Assistant Headteacher in accordance with paragraph 23 of the STPCD, the Pay Committee will, within a four-week period of the commencement of acting duties, determine whether or not the acting post holder will be paid an allowance.

The Pay Committee will determine the appropriate payment which will be backdated to the commencement date of the duties.

## **12.0 PART-TIME EMPLOYEES**

The Governing Board will apply the provisions of the STPCD 2023 in relation to part-time teachers' pay and working time, in accordance with paragraph 40 and 41 and in section 3 guidance paragraphs 39-44 and 79-86 of STPCD.

## **13.0 TEACHERS EMPLOYED ON A SHORT NOTICE BASIS**

Such teachers will be paid in accordance with paragraph 42 of the STPCD 2023.

#### **14.0 RESIDENTIAL DUTIES**

The Pay Committee will take account of agreements reached in the National Joint Council for Teachers in Residential Establishments in determining payments for residential duties.

#### **15.0 ADDITIONAL PAYMENTS**

15.1.1 The Governing Board may make payments as they see fit to a teacher (other than a Headteacher) in accordance with paragraph 26 of the STPCD 2023 and paragraphs 60-68 of the section 3 guidance.

15.1.2 The Pay Committee will make additional payments to teachers in accordance with the provisions of paragraph 26 of the STPCD 2023 where advised by the Headteacher. Payment will be calculated on a daily basis at 1/195<sup>th</sup> of the teacher's actual salary, and will be in respect of those activities undertaken outside of 1265 hours in the academic year 2023/2024.

#### **16.0 RECRUITMENT AND RETENTION INCENTIVE BENEFITS**

16.1.1 The Governing Board can award lump sum payments, periodic payments, or provide other financial assistance, support or benefits for a recruitment or retention incentive (paragraph 27 of the STPCD 2023 and paragraphs 70-72 of the section 3 guidance).

16.1.2 The Pay Committee will consider exercising its powers under paragraph 27 of the STPCD 2023 where they consider it is appropriate to do so in order to recruit or retain relevant staff. It will make clear at the outset, in writing, the expected duration of any such incentive or benefit, and the review date after which it may be withdrawn.

16.1.3 The Governing Board will, nevertheless, conduct an annual formal review of all such awards.

16.1.4 Headteachers, Deputy Headteachers and Assistant Headteachers may **not be** awarded payment for recruitment and retention **other** than reimbursement of reasonably incurred housing or relocation costs. Existing payments awarded under a previous Document subject to review, may continue at its existing value until such time as the respective pay range is determined in accordance with STPCD 2023.

#### **17.0 SALARY SACRIFICE ARRANGEMENTS**

In accordance with paragraph 28 of STPCD, where the employer operates a "salary sacrifice arrangement" (eg. a child care voucher scheme), a teacher may participate in any arrangement and their gross salary shall be reduced accordingly, as outlined in the provisions in Section 3, paragraph 73 of the STPCD 2023.

## **18.0 HONARARIA**

The Governing Board will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher.

**There is no provision within the STPCD for the payment of honoraria. Any such award to a teacher for their teaching work would be unlawful.**

## **19.0 PAY APPEAL ARRANGEMENTS**

The arrangements for considering appeals on pay determination are set out in Appendix F.

## **20.0 DATA PROTECTION**

As part of the application of this policy Merridale Primary School will collect, process and store personal data in accordance with our data protection policy. We will comply with the requirement for the Data Protection Act 2018 and any other Data Protection Legislation. Our Privacy Notice sets out how we will gather, process and hold personal data of individuals in relation to pay.

## **21.0 REVIEW OF PAY POLICY**

Headteachers and Governing boards must consult staff and unions on their pay policy. The pay policy should comply with the current STPCD and its statutory guidance. It should be used in conjunction with them, but if there are any inadvertent contradictions, then the STPCD and guidance take precedence. The pay policy should be reviewed each year or when changes occur to the STPCD to ensure it reflects the latest legal position.

**Under the Freedom of Information Act 2000, relevant boards should publish their pay policies through their Publication Schemes and those pay policies must be available on demand.**

## **22.0 MONITORING THE IMPACT OF THE POLICY**

The Governing Board will monitor the outcomes and impact of this policy on an annual basis, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation.

# Appendix A

## The Pay Committee – Terms of Reference

The terms of reference for the Pay Committee will be determined from time to time by the Governing Board. The role of the relevant Board is each year to:

- Agree the pay policy, after consultation has taken place with staff and their union representatives in the school and amendments considered in the light of comments received.
- Inform staff of the policy adopted.
- Establish procedures for determining appeals by teachers against pay decisions and related matters (e.g. performance, threshold assessment).
- To recommend to the Governing Board the annual budget needed for pay, bearing in mind the need to ensure availability of monies to support any exercise of discretion. The Pay Committee may recommend that the Governing Board makes application for any additional funding available to support this process.
- Consider recommendations from the Headteacher about pay awards on the basis of the policy and budget.
- Appoint governors to determine the pay of the Headteacher.
- Ensure that awards are made without unlawful discrimination.
- Monitor the overall distribution of awards and the impact of the pay policy.

The governing Board may ask the Headteacher to:

- Formulate the draft pay policy for consultation with staff and unions in the school/service and consideration by the governing Board.
- With the help of other senior staff as appropriate, review performance information for teachers and make recommendations to the pay committee regarding performance related pay awards.
- Monitor the impact of the arrangements for pay determinations on teachers and teaching at the school, and report to the governing Board. In doing so, the Headteacher will need to take account of the requirements of the appraisal policy.

Where the Governing Board is the relevant Board, it may delegate pay decisions to a committee. Regulations require that a Headteacher must withdraw from any discussions on their pay and may not vote on it. Other employees must withdraw from any meeting during consideration of the pay or performance appraisal of any other employee, and may not vote on related matters. The Regulations do not prevent governors from hearing representations from the interested party. For example, a Headteacher could present their views in a note, make a presentation, so long as they withdraw during the decision-making process.

**No payments and conditions of employment other than those provided in the Document may be applied.**

# Appendix B

## Obligations of the Governing Board, Headteachers and Teachers

- 1.0 The Governing Board will fulfil its obligations to Teachers as set out in the STPCD (the Document) and the Conditions of Service for School Teachers in England and Wales (commonly known as the 'Burgundy Book').
  - 1.1 The Governing Board will need to consider any updated pay policy and assure themselves that appropriate arrangements for linking appraisal to pay are in place, can be applied consistently and that their pay decisions can be objectively justified.
  - 1.2 The Governing Board will ensure that it makes funds available to support pay decisions, in accordance with this pay policy (see 'Processes and Procedures') and the school's spending plan.
  - 1.3 The Governing Board will monitor the outcomes of pay decisions, including the extent to which different groups of teachers may progress at different rates, ensuring the school's continued compliance with equalities legislation.

### 2.0 Headteacher Obligations

- 2.1 The Headteacher will:
  - Develop clear arrangements for linking appraisal to pay progression and consult with staff and school union representatives on the appraisal and pay policies;
  - Submit any updated appraisal and pay policies to the governing Board for approval;
  - Ensure that effective appraisal arrangements are in place and that any appraisers have the knowledge and skills to apply procedures fairly;
  - Submit pay recommendations to the governing Board and ensure the governing Board has sufficient information upon which to make pay decisions;
  - Ensure that teachers are informed about decisions reached; and that records are kept of recommendations and decisions made.

### 3.0 Teacher's Obligations

- 3.1 A teacher will:
  - Engage with appraisal; this includes working with their appraiser to ensure that there is a secure evidence base in order for an annual pay determination to be made;
  - Keep records of their objectives and review them throughout the appraisal process;
  - Share any evidence they consider relevant with their appraiser;

## DfE Guidance – three stage process

### New appointments – the three-stage process

You should adopt the following three-stage process when setting the pay for **new appointments** to headship or the wider leadership team.

The pay of those in post will only need to be reviewed when there are **significant** changes to responsibilities.

The three-stage process offers governing boards substantial flexibility to set pay at the level needed to attract Headteachers and other members of the leadership team by systematically considering the circumstances of the role before advertising the post.

The three stages are:

Stage 1 – Defining the role and determining the Headteacher group

Stage 2 – Setting the indicative pay range

Stage 3 – Deciding the starting salary and individual pay range

You should ensure that all decisions and the reasons for them are well documented at every stage. All pay decisions must be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

### Stage 1 – Defining the role and determining the Headteacher group

You should use this stage to define the job and identify the broad pay range as a provisional guide to determining an appropriate level of pay.

You will need to define and set out the specific role, **responsibilities and accountabilities** of the post as well as the **skills and relevant competences** required.

For Headteacher posts you should assign the school to a Headteacher group which will determine the appropriate broad pay range. This should be done by calculating the total unit score for the school in accordance with paragraphs 5-8 of the STPCD.

#### Prompt

Have you ensured that you have modified the total unit score to include, where appropriate, permanent responsibility for additional schools?

For other leadership group posts, you should consider how the role fits within the wider leadership structure of the school. The pay range for a deputy or assistant Headteacher should only overlap the Headteacher's pay range in exceptional circumstances.

Prompt

Have you ensured that you have modified the total unit score to include, where appropriate, permanent responsibility for additional schools?

## Stage 2 – Setting the indicative pay range

At this stage you will need to consider the complexity and challenge of the role in the particular context of the school and make a judgement on pay in the light of this.

You should note that current discretionary payments, such as allowances for recruitment and retention, permanent additional responsibilities (e.g. the provision of initial teacher training (ITT)), and long-term provision to other schools, should be captured at this stage.

For Headteacher posts it is expected that normally you will conclude that the total unit score fully captures the complexity of the Headteacher role and that the relevant broad pay range accommodates appropriate levels of reward. You will wish to consider whether the indicative pay range should start at the minimum of the Headteacher group or whether you wish it to start at a higher level because of the level of challenge of the post.

There may, however, be circumstances in which there are additional factors that suggest the indicative pay range should be higher than would be provided by the basic calculation in stage 1. The following represent some examples of the additional factors that you may wish to consider, but these are for *guidance only and are not intended to provide an exhaustive list*:

- **the context and challenge arising from pupils needs** e.g. if there is a high level of deprivation in the community (Free School Meal (FSM) entitlement and/or English as an Additional Language indicators may be relevant) or there are high numbers of looked after children or children with special needs or there is a high level of in-year churn/pupil mobility, and this affects the challenge in relation to improving outcomes;
- **a high degree of complexity and challenge** e.g. accountability for multiple schools or managing across several dispersed sites, which goes significantly beyond that expected of any Headteacher of similar-sized school(s) and is not already reflected in the total unit score used at stage 1;
- **additional accountability not reflected in stage 1** e.g. leading a teaching school alliance;
- **factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates**, e.g. location; specialism; level of support from the wider leadership team.

If you consider that circumstances warrant it, you can set the indicative pay range with a **maximum of up to 25%** above the top of the relevant Headteacher group range. Above that limit, external independent advice must be sought and, should the advice suggest additional payment is appropriate, a business case must be made and agreed by the full governing Board.

You should ensure that no **double counting** takes place, e.g. of things taken account of in stage 1, such as responsibility for an additional school already reflected in the total unit score; or from using overlapping indicators, such as FSM and the pupil premium.

You **should not** increase base pay nor pay an additional allowance for regular local collaboration which is part of the role of all Headteachers.

For other leadership roles the process is broadly the same. You will wish to consider how the other leadership roles should be set in accordance with the level set for the Headteacher and ensure that there is sufficient scope for progression.

At the end of this stage you should decide where in the broad range to position the indicative pay range and set this out clearly when you advertise the job. You should make an **overall judgement** on the position and breadth of range, allowing appropriate scope for performance-related progression over time, clearly linked to school improvement priorities and outcomes.

There should be a clear audit trail for all decisions made and the reasoning behind them.

**Prompt:**

Does the total unit score provide an appropriate pay range for the job?

Are there any additional factors that need to be taken into account in determining the indicative pay range?

You may consider that it is appropriate to apply more weight to some factors than others, e.g. the level of social challenge; managing more than one school; difficulty in making a suitable appointment. For those factors which are not expected to persist, such as temporary responsibility for an additional school, these should be reflected through an allowance rather than consolidated into the indicative pay range.

Is the role so challenging that the pay range should extend above the maximum of the headteacher group for the school?

Have you considered whether there is any relevant benchmarking information available that would support your judgement on whether the pay range is justifiable?

Do you know where you can go for further assistance or support, e.g. HR advice, in exercising your judgements?

Does the pay range provide scope for performance-related progression over time?

What is the appropriate differential between the pay ranges for different leadership posts?

You will want to be sure that you consider the equality implications of any decisions over differentials.

Is there an audit trail to show the basis on which decisions have been made?

### **Stage 3 – Deciding the starting salary and individual pay range**

The first two stages provide the means for determining the appropriate pay range. The third stage is essentially about deciding on the starting salary for the individual who is to be offered the post.

At this stage you will have a preferred candidate for the role and will wish to set the starting salary in the light of candidate-specific factors, such as the extent to which the candidate meets the specific requirements of the post.

It will be important for you to ensure that there is scope for performance-related progression over time.

Prompt:

Have you considered what you would be willing to offer as the upper limit of a starting salary?

### **Establishing a pay range above the school's Headteacher group**

The expectation is that in most cases the pay range will be within the limits of the Headteacher group. However, in some cases, e.g. where there may be significant difficulty in making an appointment or there is a need to incentivise a Headteacher to take on responsibility for a very large school or to lead multiple large schools, it may be appropriate to consider extending the individual pay range.

The governing Board can in such cases decide that the maximum of the pay range may be above the maximum of the Headteacher group, **up to** an additional 25%.

It should be wholly exceptional for the maximum of the pay range to be more than an additional 25% higher than the maximum of the Headteacher group. If it is considered that there are exceptional circumstances that warrant an extension beyond that limit, a business case would be required. You would need to seek external independent advice from an appropriate person or Board who can consider whether it is justifiable to exceed the limit in a particular case. There must be a clear audit trail for any advice given and a full and accurate record of all decisions made and the reasoning behind them.

### **Pay progression**

It is the responsibility of the governing Board to ensure that performance-based progression awards reflect individual performance.

Pay progression for members of the leadership group is already linked to performance, but governing boards have had only limited scope to differentiate or increase the progression reward available.

The removal of the spine points gives greater flexibility to decide on the level of progression award appropriate to an individual's performance.

Schools should review and update their pay policies on an annual basis to ensure that they remain fit for purpose. They will need to revise their pay policies to reflect the changes to setting leadership pay and to clarify their approach to making decisions about pay progression for the leadership group. Governing boards will need to satisfy themselves that

objective-setting is rigorous, and that the school's pay policy provides a clear link between levels of achievement and progression.

### **Note**

You will have the freedom to award progression increases as you judge appropriate in your particular circumstances. Although no progression award should be made if it is not justified, you may find it helpful to indicate the pay level that might be achieved after a certain period, subject to sustained, high quality performance, through the establishment of pay points on those ranges which will be used by the school. The DfE has reintroduced advisory reference points for MPR, UPR and UQTR. In the event schools do not wish to adopt the pay scales in this policy then they will need to engage separately in union consultation. The option remains to continue to adopt fixed scale points as the basis for teachers' pay progression, including the adoption of previous STPCD pay points uprated as appropriate as outlined in the policy and also in Appendix D.

## Withdrawal from Governing Board Meetings

*The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013 provide regulations on this in the Schedule relating to regulation 16 as follows:*

### **1. Restrictions on persons taking part in proceedings of the Governing Board or its committees**

- (1) A 'relevant person' means a governor, an associate member, the headteacher (whether or not that person is a governor) or any person appointed as clerk to the Governing Board or to a committee.
- (2) Subject to sub paragraph 4 of Regulation 16 where in relation to any matter -
  - (a) there may be a conflict between the interests of a relevant person and the interests of the Governing Board
  - (b) a fair hearing is required and there is any reasonable doubt about a relevant person's ability and there is any reasonable doubt about a relevant person's ability to act impartially or
  - (c) a relevant person has a pecuniary interest

that person, if present at a meeting of the school at which the matter is the subject of consideration, must disclose their interest and withdraw from the meeting and not vote on the matter in question.

### **2. Pecuniary Interest**

#### **Pecuniary interests**

- (1) For the purposes of regulation 16(b), a pecuniary interest includes an interest in a contract or a proposed contract where—
  - (a) a relevant person was nominated or appointed to office by a person with whom the contract was made or is proposed to be made;
  - (b) a relevant person is a business partner of a person with whom the contract was made; or

#### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

**Regulation 16 and the Schedule deal with conflicts of interest and the circumstances in which governors and others who are otherwise entitled to attend meetings of the governing Board or its committees must withdraw and not vote. The general principle is that where there is a conflict between the interests of such a person and the interests of the governing Board, or where the principles of natural justice require a fair hearing and there is any reasonable doubt about that person's ability to act impartially, he should withdraw from the meeting and not vote.**

## Pay Appeal Arrangements - Part One

### Background and Stages of Appeals Process

#### 1.0 Background

A teacher may seek a review or appeal against any pay determination, if for example, they believe that the person or committee by whom the decision was made:

- a) incorrectly applied the school's pay policy.
- b) incorrectly applied any provision of the School Teachers' Pay and Conditions Document.
- c) failed to have proper regard for statutory guidance.
- d) failed to take proper account of relevant evidence.
- e) took account of irrelevant or inaccurate evidence.
- f) was biased. or
- g) unlawfully discriminated against the teacher.

Schools should ensure that an appeal procedure is in place before any pay determinations are made. The adoption of an appeals procedure after a pay appeal has already been lodged could leave schools open to a legal challenge.

#### 2.0 Informal – Stage One: Informal discussion with appraiser or Headteacher prior to confirmation of pay recommendation

2.1 As part of the overall appraisal process, a pay recommendation is made by the appraiser/reviewer (normally the line manager) and discussed with the teacher at the review meeting **prior** to being submitted to the school's pay committee or relevant decision-making Board. Written details of and the reasons for the pay recommendation will be given to the teacher.

2.2 At this particular stage of the pay determination process, if the teacher wishes to better understand the rationale for the pay recommendation or bring any further evidence to the attention of the appraiser/reviewer, they should be given the opportunity to do so **before** the final pay recommendation is drafted in the appraisal report.

2.3 The nature of any subsequent appraisal and pay discussion will be informal and therefore representation (on either side) is not necessary nor would it be appropriate. At the conclusion of any further discussion, the pay recommendation may be adjusted or it may remain the same; the appraisal report will be updated to reflect the discussion.

2.4 This stage in the process may also mitigate the need to embark on further stages of the appeals process.

### **3.0 Formal – Stage Two: Representation to the Governors’ Committee making the pay decision (‘the decision maker’)**

3.1 In the event that the teacher continues to be of the view that an incorrect recommendation will be made, the teacher may make representation to the Governors’ Committee making the final decision. The teacher will be required to submit a formal written statement to the Governors’ Committee making the determination setting down in sufficient detail the grounds for not agreeing with the pay recommendation.

3.2 The teacher can elect to attend the meeting with the governor’s committee who will make the pay determination. The recommendation provider should also be invited to attend the meeting in order to clarify the basis for the original decision. In these circumstances all parties will be notified at the earliest opportunity of the date and time of the Governors’ Committee and the employee will be entitled to be accompanied by a colleague or union representative.

3.3 On determining a teacher’s pay, the decision maker will write to the teacher advising them of the pay decision, the reasons for it and will, at the same time, confirm the teacher’s right to appeal against the decision.

3.4 If on determining a teacher’s pay, the ‘decision maker’ will write to the teacher advising them of the pay decision, the reasons for it and will, at the same time, confirm their right to appeal.

### **4.0 Formal - Stage 3: Formal Appeal Hearing with an Appeal Panel of Governors**

4.1 If the teacher wishes to appeal against the decision, they must do so in writing to the decision maker, within ten working days of the notification of the pay decision. The appeal must include a statement, in sufficient detail, of the grounds of the appeal on which they will rely.

4.2 On receipt of the written appeal, the clerk to the governing Board will establish an appeal committee that should consist of three governors, none of whom are employees in the school or have been previously involved in the relevant pay determination process and convene a meeting of the appeal committee at the earliest opportunity and no later than 20 school working days of the date on which the written appeal was received. Both “the recommendation provider” and “the decision maker” will be required to attend the meeting.

4.14 The Procedure to be followed is outlined in **Part Two** of this Appendix.
