When Charlie got back from school, his mom shouted at him. "What on earth were you thinking!" yelled mum as she walked to the kitchen.

"I can explain" began Charlie begging his parents to listen.

"GO TO YOUR ROOM!" screamed dad whilst he gave him some homework. Charlie ran upstairs in tears. A few seconds later, Charlie had an idea. "You're grounded" dad shouted whilst Charlie picked up his phone. He decided to call his Nan.

Trembling with excitement, Charlie put the phone down. He finally had hope. There was a knock on the door. He ran downstairs and opened the door. "Nan!" Charlie whispered as he jumped up and down "Come with me." He ran to his room and told his Nan all about the bullying. "I'll go right to your parents" ^{announced} Charlie ^{to} his parents. A few minutes later, Charlie's parents walked into the room "We are so sorry" exclaimed mom and dad, "we will make an appointment with your headteacher," they told Charlie. They picked up the phone and called the headteacher (Charlie was relieved)

The next morning, Charlie woke up. He took a big stretch and yawned. "Charlie" mom whispered, "Your Nan is going to school with you so she can talk to your headteacher," mom explained as she walked downstairs. **Determined not to get too carried away** Charlie ^{got} jumped out of bed ^{walked down} ran to the bathroom to brush his teeth and ^{got} ran downstairs to have breakfast. **After he had finished breakfast**, he made his way to his Nan's house and knocked on the door. His Nan opened the door and they went in the car so they could get there quicker. When they arrived at school,
